

## Homemade Resurrection eggs

**Directions:** Resurrection eggs: Save an egg carton and buy 12 plastic Easter eggs. Number the eggs 1-12 with permanent marker and put them in order inside the carton. Print out another Egg Label page on regular paper. Cut the verses apart (keep the item pictures and numbers with the verses- It will help organizing next year). Place the corresponding numbered message and object (follow the object list below) into each plastic egg and return the egg to its place in the carton. To tell the story well the eggs need to be in order ready to go. If you read Benjamin's Box you need Family Life's set of eggs or be sure the plastic eggs match the colors in the book.
