

Jelly Bean Gospel

Red is for the blood He gave.

Green is for the life He saved.

Yellow is for the sunshine bright.

Orange is for the moon at night.

Black is for my sins I made.

White is for the grace God gave.

Purple is for His heart so sad.

He has risen, indeed! I am tickled pink!

Colored promises and prayers sweet
An egg filled with Jellybeans is a Gos-
pel Treat
